Chancery Book 1874- 1875, Pages 370 - 371 Original Bill Filed September 6, 1875
A.L. Johnson vs. S.A. Johnson et als

To the Honorable Horace H. _____ holding court at Lebanon, Tennessee
Bill of Complaint of A. L. Johnson a citizen of Wilson County, TN against S. A. Johnson of the same residence, Martha Johnson, Arvelia (Olivia) Lester formerly Johnson and her husband W. H. Lester all of the state of Missouri. The said Martha Johnson is widow of D. K. Johnson deceased and complainant and other defendants are the heirs of said D. K. Johnson and also of William Johnson who died without issue.
Humbly complaining your orator will show your Honor that about the year 1852 D.K. Johnson, William Johnson, and your orator foreclosed from one A.B. Stroud two tracts of land one of 50 acres and one of 35 acres in the 15th district of Wilson Co. adjoining the lands of E_le Witty, John Putnam, S.A. Johnson, Isabelle Witt, and H. Purcell. The title bond was taken in the name of D.K. Johnson but was intended for the use and benefit of all three of the parties as it was for their joint benefit. The purchase was made by them jointly and paid for by them jointly. If any deed was ever made it has not been recorded; but it has been held for over 20 years under a title bond and Strouds heirs set _____ no claim to the land and there is no diff _____ about the title.

About 20 acres of said land was sold to Witty, nine acres to Purcell, and eight acres to Mrs. Witt, and the balance is now held for the benefit of your orator and the heirs of said D.K. Johnson. D.K. Johnson died in 1857 leaving the above named and William Johnson, his widow, and only heirs at law. William Johnson died in 1861 without issue and his one third interest descended to your orator and his brother and sister the said defendants. The lands have been held since the purchase as the joint property of the three original purchasers. The widow has had no dower assigned and the interest of the deceased D. K. Johnson is so _____ she cannot be endowed out of the land and should be endowed out of the proceeds of sale.

The premises seem _____ your orator prays that the parties named as defendants be made such by process and publication. That they answer fully but not under oath on final hearing let the title of your orator be set refr _____, let his third interest be set apart in either land or money. Let the remainder be sold on such terms as may seem just and proper in the premises. Let such orders be made as will insure justice in the premises. Grant this and such other further and general relief as may seem proper.

Leantrell O. Simmons, Solicitors

The foregoing bill is true in substance and in fact. September 6th 1875.

A.L. Johnson vs S.A. Johnson etals Order of Sale

This cause was this day heard upon the _____ and also upon the _____ of the _____ from which it appears that S.A. Johnson, A.L. Johnson, and Olivia Lester are the joint owners of the trust set forth in the bill each owning one third undivided interest. It further appears that the tract of land is so small that I will not advise of partition into three equal parts and that it is manifestly to the interest of the owners of said land that it should be sold together as one tract and that \$10 per acre would be a reasonable price for said land. It further appears to the court that there are no exceptions to the Masters report.

It is therefore ordered by the Court that said report be in _____ things confirmed and that the Clerk & Master proceed to sell said land on a credit of one and two years except 10 per cash cash after advertising the time and place of sale by printed posters(in lieu of advertisement) for the period of twenty days or more at six or more public places in Wilson County one of which will be at Statesville. The sale will be made on the premises. Bond with approved security will be required of the purchaser and a lien retained for the purchase money. The master will make his report to the special term of this court
