Daniel was a Private in the Revolutionary War, NC Militia company commanded by Capt Little in Regt commanded by Col Hill, from Martin County. He served for 8 months. He fought at the battle of Guilford Court House. His pension voucher #12867. Certificate filed 6 June 1833 with arrears to 4 March 1833, recorded Book E, Vol 6, page 54. He also had two brothers that served in the Revolutionary War. James and Henry Jr. Robason.

Per a sworn statement by Elizabeth his wife, Daniel died on the 9th of August 1835 in Martin County, North Carolina. However, prior to his death it is probable that Daniel purchased property in Haywood County, Tennessee. Taken from haywood County, Tennessee Deek Book H, page 232- - October 4, 1834. On January 28, 1833, Daniel Cherry had bought 100 acres from Washington R. Blackard. then he sold it back to Blackard; Blackard did not have the deed registered, but sold the land to Daniel Roberson on October 4, 1834 for \$400.00 Daniel Cherry here giving a good title to Roberson.

Elizabeth is last seen living with her son Bryant Robeson and his family in the 1850 District 12, Haywood County Tennessee census. She is 91 years old born in North Carolina. Her birth year from her husband's pension papers indicates that she was born in 1761, this census records give 1759. There are letters in the pension papers from Haywood County, Tennessee to the pension board dated 1848. It is believed that she moved to Haywood County Tennessee with her sons somewhere after the death of her husband in 1835 but before 1840. Elizabeth drew her last widow's pension voucher (\$26.64) 23 January 1849. Since she did not receive another pension voucher, it is assumed she died soon after the 1850 census. There is no record of her death/burial in Haywood County, Tennessee.

Notes for Thomas Hyman Benton Robason:

General Notes:

Information on this family is found in the 1860 Haywood County Tennessee census, the 1870 Gibson County Tennessee census, the 1880 Crockett County Tennessee census and information taken from on line family trees on Ancestry.com.

I believe that Thomas was married twice, both times to a Nancy. In the census records up to 1880 Thomas's wife is nearly the same age as he, but in the 1880 census, his wife is 23 years younger than he. A marriage record dated 19 January 1875 T.H. Robinson and Nancy E. Stegall in Crockett County Tennessee is on record - -

All the children were born in Tennessee. George and Jennie (Virginia) were married in 1865 and it is not proven that she is the mother of all the children listed in this household. I believe that Maria is the youngest sister of George and is living with him after the death of their parents. There is a marriage record for a George Roberson to a Margarette Steels in 1861 in Gibson County but it is not proven that this is our George.

Notes for Theodora Stallings:

General Notes:

Nance Cemetery is where Docia is buried. Along with her son Clarence. It is believed that the reason both Docia and her son Clarence are buried under Docia's maiden name, Stallings, and not Anglin because the couple was divorced. The 1920 census states that Docia was divorced, however, the 1930 census says that she is a widow.

Docia lived with her Aunt Clarissa Jane Stallings Kinton until the Aunt's death in 1932. I believe at that time the farm when to the nephew Clarence. Clarence fought in World War II.
